**Hi,
My name is Sgt. John Samuel US ARMY serving the World and my country in the most honourable way I know I can, in AFGHANISTAN right now, in a nutshell, I am an American soldier serving in the Military with the Army third infantry division. With a very desperate need for assistance,I found your contact particulars during my email search and picked up courage to contact you for your assistance. Some money in various currencies were discovered in a room at a farm house near one of Osama Bin Laden's old house in Kabul-Afghanistan during a rescue operation, I happened to be one of the soldiers that led that operation that day, so it was agreed by Col. William E. Cole the head of**

Eighteen-Point-Nine Million Dollars	<p>our battalion that some part of this money will be shared among both of us before informing anybody about it since both of us saw the money first. This was quite an illegal thing to do, but I tell you what? No compensation can make up for the risk we have taken with our lives in this hell hole, my brother in-law was killed by a road side bomb just few months ago, and I cannot count how many times GOD has saved my life down here. Now i found a very reliable way of sending a trunk metallic box containing the amount of United States Dollars worth Twelve Million Five Hundred Thousand Dollars(US \$ 12.5 Million) as you must agree with me it has been hell on earth trying to keep this money safe from people's eyes for all these while and with this opportunity all I need is just someone capable I can trust 100% I can send the box to. So if you can assure me of your honesty I will go ahead and send the box to you for safe keeping till I am back home and I will gladly give you 40% of the money. If this okay with you please get back to me with</p>	Twenty-One-Point-Seven Million Dollars	Libya	<p>the following so i can get the box across to you.
